

Marnhull & North Dorset Small Businesses

DIRECTORY 2024

Welcome to the 2024 Marnhull & North Dorset Small Businesses Directory.

One of my plans for the [Marnhull & North Dorset Small Businesses Facebook Group](#) from the outset was to create a paperless small business directory that could be easily accessed online or downloaded and stored on phones, tablets, laptops etc.

As well as being a great resource for those living in the North Dorset area it is also fast becoming a really useful tool for those visiting the area or who have relatives in North Dorset and want to find and access local amenities, resources and businesses quickly and easily.

As well as saving trees a digital directory can be updated regularly to ensure that the information contained is as up to date as possible. Any changes can be made and a new version uploaded and available within minutes.

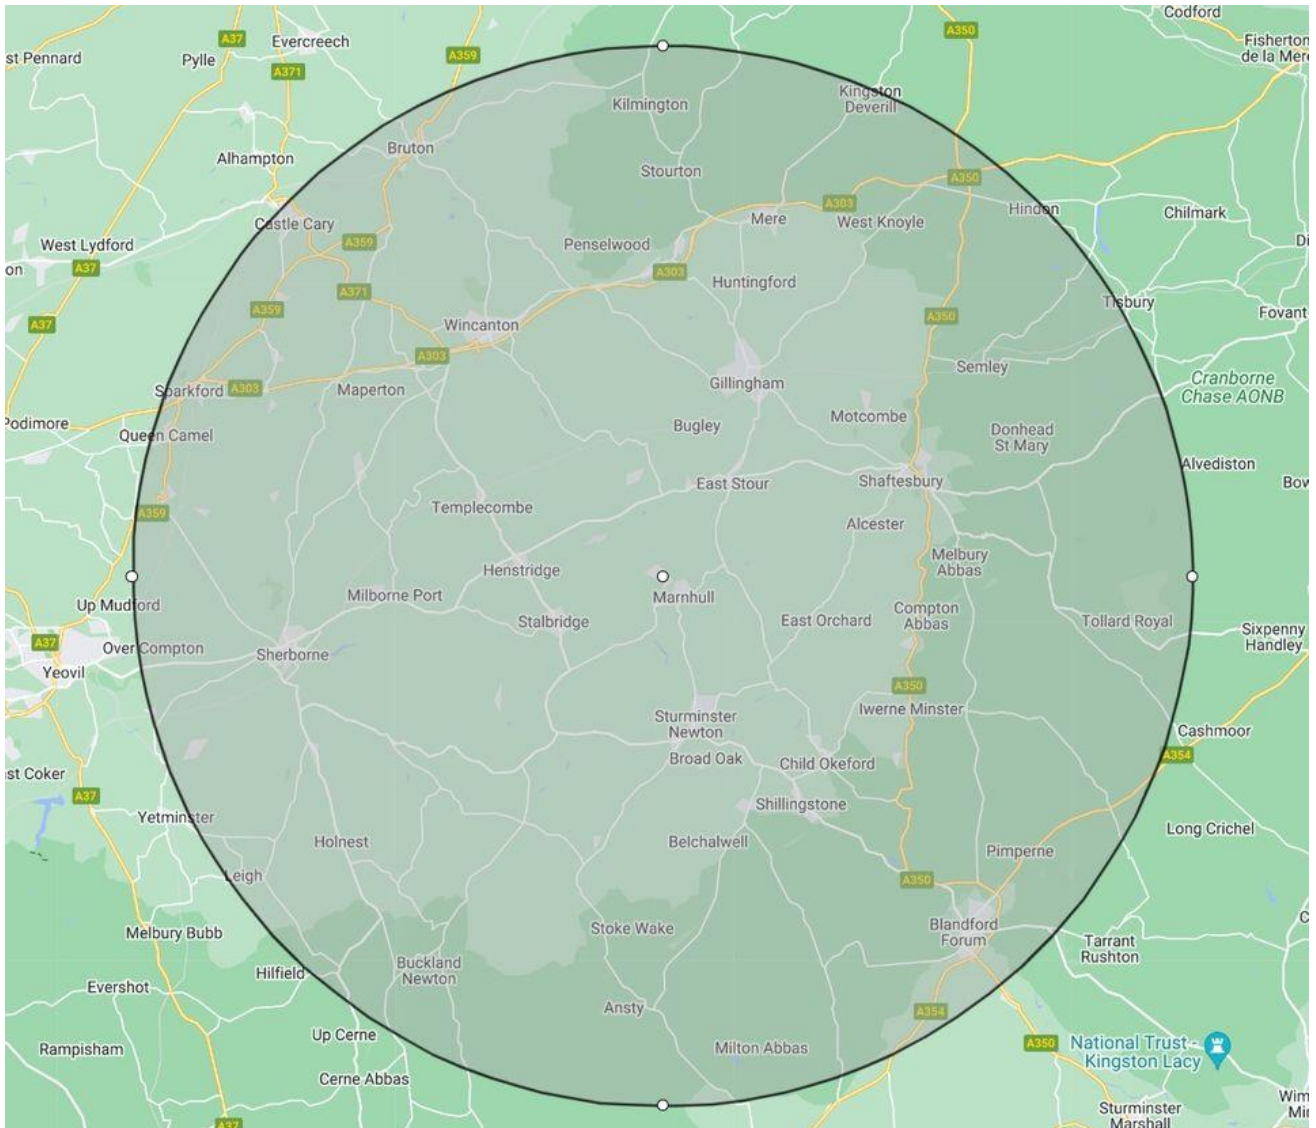

If you would like a free basic entry for your business, please complete the Google form at:

<https://forms.gle/zdoFFvZvAVQEKgrD7>

This offer is open to any small businesses who are either based in or supply a 12-mile radius of the North Dorset village of Marnhull and are members of the Marnhull & North Dorset Small Businesses Facebook Group and have been approved to post their adverts there.

Details of how to have a larger advert for your business included in this directory can be found [here](#)

The area covered by this directory is a 12 mile radius from Marnhull and includes small businesses in Dorset, Wiltshire and Somerset
